Discard ALL Changes

3. New Word Count feature for the Student Assessment and Homegroup Assessment Comment pages

4. New "Edit All" button for the Student Assessment and Homegroup Assessment Comment pages. This allows all comments to be opened at once for editing.

5. Ability to print comments from within the **Offline** Program for proofreading. NOTE: Formatting is not retained in print out for proof reading purposes.

6. Supported browsers check mechanism. Refer to your manual for recommended browsers.

7. CEPL recommends applying formatting in nFormaWeb using the built in tool bar, rather than in Microsoft WORD

8. CEPL recommends using Microsoft Mac Word 2008 or newer for your word processor on a MAC . NOTE: Text Edit is not recommended.
